Seeking an Experienced Clinician for Afternoon/Evening/Weekend Hours to Join Our Team!

Alvord, Baker & Associates is a fee-for-service, group private practice dedicated to evidence-based therapy, neuropsychological testing, cutting-edge research, and comprehensive training seeking a licensed psychologist or experienced clinical social worker to join our team. Due to high client demand and lengthy waitlists in both of our locations (Rockville and Chevy Chase), we're excited to announce an immediate clinical opening for afternoon/evening and/or weekend hours. This position is available as either a full- or part-time position.

Position Requirements:

- Maryland licensure required prior to start (internship and accredited program completion mandatory).
- Strong CBT skills and other evidence-based modalities.
- Experience working with children and adolescents across a diverse range of clinical presentations preferred.
- Responsibilities include individual therapy; may include group therapy services if interested.
- Minimum of 10 afternoon (3pm+)/evening/weekend clients per week. Additional daytime clients available once this threshold is met.

Why Join Us?

- Highly competitive compensation
- Possibility for W-2 employee status and benefits (401k Contribution, Paid Time Off, Profit Sharing, Healthcare Stipend) depending on caseload
- Wealth of diverse case referrals, allowing for personalized caseloads and professional growth.
- Adult, parent, and family/couples opportunities also available.
- If interested in groups, training is provided for our trademark group therapy program: Resilience Builder Program®.

- Professional autonomy to incorporate evidence-based interventions and treatment specialties.
- Ongoing learning and development through monthly staff meetings, weekly peer case consultations, and individual supervision for the first two years.
- Access to significantly subsidized APA-approved CE seminars and workshops to fulfill CE requirements.
